

Dogs at Aeolian Considerations

1 or 2 house-trained dogs are again very much welcome at a cost of £25 per dog, subject to the following conditions:

- Your pet must be healthy, regularly wormed and free of fleas - if not, please do not bring them!
- Before bringing a dog(s) in the house please ensure they are clean, dry and free of sand.
- Your pet must **strictly** stay on the ground floor and not be allowed on the sofas or chairs; a dog basket and food/water bowls, a couple of old towels and spare leads are provided but you may wish to bring your own bedding for your pet.
- Under no condition whatsoever are dogs allowed on the first or second floors and **definitely** not in the bedrooms. This is to protect our guests who don't have pets and so we know that any pet related cleaning will only be necessary in the ground floor accommodation.
- Pets cannot be left alone in the property at any time and please ensure they don't upset our neighbours by barking.
- The rear garden is completely enclosed by a high fence and it is your responsibility to clean up any mess your dog leaves, you will find a supply of poo bags in the hall console table.
- Criccieth beaches are dog friendly from 30th September through to 1st April and off limits in the summer months, however there is a dog friendly area by the RNLI station which can be used all year round. Dogs are welcome in most restaurants and cafes around the town but obviously do check with the proprietor beforehand.
- There are numerous dog bins around the town which we ask that you use during your stay and we specify that **strictly** no dog mess is left in the Veolia bin at Aeolian on your departure.
- Any significant damage or stains will be deducted from the refundable damage deposit.
